You could spend all day by the lake and not be disappointed. The whirlpool in front of Pomona's control tower and the heavy boat traffic at the boat ramps, courtesy docks, and the marina boat mooring facilities make those areas too hazardous for safe swimming. To get away from the water, explore the many trails of the park or go small-game hunting.

## Outlet Park

Marina: The marina is under new ownership - please watch for further details from Pomona Lake Marina. There were approximately 70 kids in attendance.
