### French Senate vote is blow to Macron, Conservatives keep majority

LREM, which hoped to win 40-50 Senators, ended up securing 23, and will be counting on alliances with lawmakers from other parties to back the government on a case by case basis.

### French Senate strong message to the Muslim Brotherhood

However, unlike his British counterpart, he is not politically neutral and defends his party in all the political battles within the House. It is therefore called the House of Elders. The bishops also proposed fasting in January and February and reminded people to pray for and support caregivers.

This happened twice for —once at the resignation of and once at the death of. And I fully understand, sir, that throughout these trying years, when mankind has waited for the catastrophe, the anxiety of France must have been the deepest and most constant of all. I know how much of it, sir, and I know how little of it, to appropriate to myself.

Thus it is a continuous body. In that month, the term was reduced to six years, while — to reflect a growth in the country's population — the number of senators was set to increase progressively, to reach 348 by 2011. The Senate reminds of the Armenian massacres of Soumgait, Kirovabad, in Baku and Maragha, systemically organized by the Azerbaijani authorities.

### **The Standing Committees at Work**

This power however gives the National Assembly a prominent role in the law-making process, especially since the administration is necessarily of the same side as the Assembly, for the Assembly can dismiss the administration through a motion of censure.

### **senate**

Senators had been elected in thirds every three years; this was also changed to one half of their number every three years.
