SRA

August 2020 A thematic review to enhance our understanding of typical schemes and explore how and why solicitors become involved. However, in-house solicitors now make up almost one-quarter of the profession.

Annual Statistics Report 2019

We commissioned YouGov to undertake a survey of barristers and clerks to gauge opinion on new business structures and their regulation.

Our research reports

This will support and contribute to the programme of work set out in the plan. This paper presents the profile of pupillage applicants who have applied through the 'Pupillage Portal' OLPAS online system in 2010.

Annual Statistics Report 2018

A report exploring solutions to promote gender equality.

More solicitors but fewer firms and partners, Law Society survey shows

Statista assumes no liability for the information given being complete or correct.

SRA

The research involved qualitative methods with recent and prospective users of legal services, including a series of mini-groups, face-to-face depth interviews and a workshop. The firm was first founded in Chicago by Stuart G. The BSB has a statutory responsibility to monitor and promote

equality and diversity both as an employer and as the regulator of barristers in England and Wales.

Annual Statistics Report 2018

While the diversity of barristers is improving, the report shows that more needs to be done to improve diversity within the profession. September 2016 The purpose of this report is to tell our stakeholders about the outcomes of our quality assurance activity in relation to education and training. Trends in the Solicitors' Profession offers invaluable intelligence on the solicitors' profession.

Annual 2019: ABA releases new report on legal profession statistics, trends

This reflects the higher education academic year. This was much higher than the proportion of BAME solicitors in the profession — currently 15% of those with known ethnic origin.
