### Top Ten Redheads in Literature and Mythology

Somehow her red hair and freckles makes her seem more down-to-earth — she has had a rough start in life but Anne is not one to dwell on her troubles, just her freckles.

Here even dunes creak, and the lizard uses this to navigate. It's pinned apart with lab-grown cactus spines. Wainwright's spare language suggests utterance wrung from silence.

### Hermann Hesse

In fact, dream not, wish not, obviously believe not. Blind, but in his fingertips he has the whole knot of this figtree memorised. Hesse divorced from Maria Bernoulli, and married in 1924 Ruth Wenger, but the marriage ended after a few months.

### Red Trousseau: Poems by Carol Muske, Paperback

Part of the pleasure of reading his work is trying to establish how he does so much by such apparently unspectacular means.

With a character explicitly called Circe, this is a similar interpretation of witchcraft to that within The Odyssey. However, the problem remains that they are all young and beautiful, and in the case of Rossetti and Burne Jones, heavily stylized to the point of almost looking unreal. DUET The expedition's jinx, breaker of vacuum jars and laptop hinges, near whom every drillbit sheared and every ice core rose contaminated with brown kerosene and every guyline was a trip hazard, who threw precision widgets on the fritz merely by walking past them, in whose presence the supply plane overshot the runway — twice — and when unloading dropped the kilo jar of honey, August's luxury — that schmuck — secured his funding for another year.

### The Red

Or, more specifically, Rossetti favoured Lizzie Siddal and so she became a model from a host of figures from Ophelia as above, painted by John Everett Millais to Beatrice.
