## Canadian Legal Research

LexisNexis Quicklaw probably has the most extensive online access to administrative tribunal decisions. This reporter series contains all appellate cases but only a selection of trial cases. Canadian law journals are shelved on Level 4 with Law Periodicals, alphabetically by title.

## Canadian Law Research Guide

Selected Canadian legal material is also available online, through the research services , , and , among others.

## How CALL saved the Canadian Abridgment

Statute consolidation is now an ongoing process at the federal. Another good place to start your research is one of the digests or encyclopedias of Canadian law. A statute may come into force in one of three ways: 1 The statute will state when it comes into force usually at the end of the statute.

## Canadian Law Research Guide

The Law and Practice of Canadian Business Corporations. There is then a vote whether the bill will proceed to the committee stage or directly to third reading stage, in some cases.
