Lan XiuLan

The prosperity of Nantong has traditionally depended on salt production on the nearby seacoast, rice and cotton agriculture, and manufacture of cotton textiles, especially. The Tong-Qi canal marks its western and northern boundaries, with Dongfang Avenue and Fuxin Road its eastern and southern boundaries respectively. Currently, the city is making efforts to upgrade its farming sectors and increase production of organic foods.

Xinjiang girl Tong Liya Have you watched her TV series/movies

Its current population is 7,282,835 at the 2010 census, 1,994,708 of whom live in the built-up area made up of three urban districts. I write fanfic on Wattpad I'm going to make a translation of my book from Romanian to English someday when I'll be on summer holiday I draw traditional and digital fanarts and original.
