### World 1860

This was achieved by making the corsets longer than before, and by constructing them from separate shaped pieces of fabric.

### 1860

If you know the reservation where an individual lived in the late 1800s, check the 1890 report for possible mention of the person being sought, particularly if he or she were of some prominence. The pommel is integral to the grip and is attached by method of peening and deforming the tang; the front side of the pommel bears a standing eagle grasping a branch, wings spread rampant, head facing right. Here, doctors demonstrate antiseptic surgery practices in 1898.

### View Camera, 1860

By the mid nineteenth century portraiture had become photography's killer app.

### 1860

Fashions were adopted more slowly in than in Europe. In 1860, two fashionable brilliant pink aniline dyes were named after battles in , named after the Italian town of , and the similar solferino, named after.
