How America will collapse (by 2025)

I know we are living in some crazy times right now, but this is pure insanity. Other developed nations are meeting this threat aggressively by plunging into experimental programs to develop alternative energy sources.

How America will collapse (by 2025)

So delicate is their ecology of power that, when things start to go truly bad, empires regularly unravel with unholy speed: just a year for Portugal, two years for the Soviet Union, eight years for France, 11 years for the Ottomans, 17 years for Great Britain, and, in all likelihood, 22 years for the United States, counting from the crucial year 2003. In scenes reminiscent of Saigon in 1975, U. World War III: Present Situation In the summer of 2010, military tensions between the U.
