**It is what it is : between a rock and a hard place in a Northern Ontario community**

Published in Science magazine, May 25, 2006, 10. Doing 'traditional' participant-observation in a closed community, organization or corporation is impossible.

**Mobile Populations and HIV/AIDS in the Southern African Region: Desk Review and Bibliography on HIV/AIDS and Mobile Populations (IOM/UNAIDS Reports on Mobile Populations & HIV/AIDS): International Organization for Migration (IOM): 9789211036060: me.stfw.info.cdn.cloudflare.net: Books**

To study such bureaucracies raises very important access and ethical questions having to do with professional responsibilities, self-portrayal, and the nature of participant-observation as a research method Nader 1972:5.

### Community participation and consensus in HIV/AIDS prevention

Population and health education through clubs for young people. Based at Research Triangle Park International, North Carolina.

### Community participation and consensus in HIV/AIDS prevention

Theoretical Foundations Social Context It is imperative to understand that the CSR discourse originally lacked an understanding of the historical and social context of mining, and how this oversight continues to burden mining communities and corporations. It is important to note that this does not imply that civil societies did not play a role in the construction of CSR; instead it means that in fact CSR was an intervention outcome due to

the global economic changes, profit declines and new sweeping neo-liberalism reforms that were occurring in the early 1970s Raman 2007:104-105. A major social hardship is the destructive effects of separating family members for extended periods of time.

## **Health**

Ontario, British Columbia, Saskatchewan and Quebec are still the leading provinces in mineral production.
