Tips on Grammar, Punctuation and Style

This chapter focuses on the essential components of a book or a journal while taking into account the electronic workflow wherever it applies. No two papers follow an identical style in this respect, so it is very much your choice.

Skillin, Marjorie E. & Robert M. Gay

Another way that manuscripts are discovered involves working with various libraries around the world to bring to light manuscripts that were previously unknown to Western scholarship. Page 537 Brand Names and Trademarks.

Mémoire de maîtrise de Henry Stone Cabins

Vertical alignment is indicated by a line drawn downward beside the characters to be set in line. .
