**Raging Moon by Bryan Forbes, Bryan Forbes, Malcolm McDowell, Nanette Newman, Georgia Brown**

No one touches my mate, not even a dragon! This is a fast-paced shifter read with loads of drama, suspense and steam. A two-handed weapon, which is shaped like a moon and in normal form good at swinging attacks.

## Under a Raging Moon Lyrics

Jess and Jake are quite the duo! He fights to pay off the debt he owes to the dragon, twins who own the club. Bruce Malcolm McDowell is paralysed after his brother's wedding.

The scenes are so vividly detailed and descriptive its paints a fantastic backdrop. I have to say that I tried to guess which police department and what city until the writer was able to insert the information in the story. The advantages I've had in life came from the ADA.

## Long Ago, Tomorrow (1971)

I read comments from a group of officers that said; we are just people, with families and problems, like every other citizen we just want to go home at night to our families just like you do.

## Heavy Moon

However, when he meets another handicapped patient, the lovely Jill Matthews Nanette Newman , he gains a new appreciation for life. She goes undercover, trying to find her brother and finds Jake. This book was very enjoyable.

## The Raging Moon (aka Long Ago, Tomorrow) on TCM Shop

Frank Zafiro was an unknown author for me when I purchased and downloaded Under A Raging Moon to my Kindle Reader, but the title and cover artwork caught my attention and interest enough to click on the purchase button. But I admit I've never tried UNPB, so I may be missing

something.

### **The Raging Moon**

Lea not only brought the house down, she razed the entire town, leaving nothing but rubble in her wake. Too bad the dragons are the bad guys tho. This is my first time in reading this author with this one being a good start to what is first one in a series.

### **Raging Moon**

The story does have violence in it--cage fighting, a physical attack against Jess, and an attempted rape--so if any of these are an offense to you, I don't recommend picking this up. Mathews Celia Gladys' Mother Mary Mr. One non-stop, action packed, hard hitting, page flipping bombshell that keeps you riveted on a razors edge.
