## Performance Assessment Requirement for Certification COVID

Revise appendix A to part 25 to read as follows: End Amendment Part Appendix A to Part 25—Award Term I. OMB would like to note that this is already part of the requirements for award terms and conditions, and the needed assurance should go into the Compliance Supplement for auditors to check that the assurance is received from the recipient.

## Federal :: Guidance for Grants and Agreements

OMB did not recommend that these were removed.

## FDIC: Risk Management Manual of Examination Policies

DATES: These revisions to the guidance are effective November 12, 2020, except for the amendments to §§ 200. For example, infrastructure decision makers may consider employment opportunities, land use, community political interests, and a variety of other factors unrelated to infrastructure's performance.

The authority citation for part 170 continues to read as follows: End Amendment Part Start Authority Authority: . This change further supports OMB Memorandum M-19-16 Centralized Mission Support Capabilities for the Federal Government, which requires that future shared service solutions must adhere to the Federal Integrated Business Framework standards available at: . The commenter provided a second recommendation to remove the 2014 beginning date and instead include the current reference to the Compliance Supplement appendix.
