Air Force bars are all teetotal at lunchtime and have strictly limited opening hours in the evening. Prior to his murder, Farrokzhad had been involved in producing an opposition radio program and reportedly received death threats.

## History & Politics

However, no suspects have ever been identified as having actually shot Bruno. At the end of their first year, they not only study for the N1 but also for the examination which, if passed, will qualify them as leading aircraftsmen. After a short investigation, police arrested Arthur Thomas, another farmer, later that year.
