Jarrar, Sabri, András Riedlmayer, and Jeffrey B. He noted how many WWII vets chose not to talk about their war experiences, but many nevertheless have had to deal with symptoms of post-traumatic stress just as many troops coming back from war zones today are dealing with PTSD.

WWII veterans mark Victory in Europe Day at memorial

Also from the restoration of 'Ali Bey al Kabir are the painted inscriptions of the interior as well as the painted decoration of the walls, muqarnas squinches, and dome. Kuras, whose Polish parents had immigrated to the United States before the war, said World War II was especially significant to him because he had a cousin who died at the Auschwitz concentration camp.

Paradoxically, the Fatimid practice of building domed mausolea for 'Alid saints as a means of promoting their Shi'i agenda and gathering popular support for the Fatimid imams was adopted by the same leaders who eradicated all signs of Shi'ism in Egypt. It was carved by 'Ubayd al-Najjar ibn Ma'ali in 1178-9. The first is a Maghribi or Andalusian pattern consisting of Kufic on an arabesque background; the second is a floral arabesque pattern.
