## CV

The hegemonic claims made, on this contentious semiological ground, by American artists like Barnett Newman Chipp:553 and critics like Greenberg and Rosenberg, in support of Abstract Expressionism and Minimalism, need to be reconsidered in the light of's acknowledgement that the new sculpture, including his own, was developed in response to and in continuity with the iron constructions of Picasso, Gonzales, Giacometti, Miro and Calder, and did not 'spring out of nothing' as a piecemeal rejection of and free from the European tradition implied.

## The Grid Comes Full Circle II

It is now being published posthumously as a historic document of an exciting and vibrant post WWII era in London, and in particular at the avant-garde Drian Galleries.
