## Goodbye, land.

Why was everything always a disappointment? Anyway, here is the map that shows how much land they are after with the Salmon Selway not even included in this discussion. Its members have all been folded into the Stellantis global engineering operation.

I like this place Thanks again Rolf out The houses of Ramsgate were less well kept than those in the French cities.

## Goodbye To The Land

Kansas was not what I expected. Here is the 2016 and on page 6 you can see all the recommended overpasses, underpasses, fencing, traffic calming, and driver warning systems for Highway 20 in Island Park. I had imagined windmills and hog farms and men wearing overalls, chewing on stalks of wheat.
