OLAC resources in and about the Majang language

Gaboon Mission of the American Board of Foreign Mission. The structure of the possessive perfect in Macedonian can be described most appropriately in terms of a correlation of linguistic and areal parameters: There is a continuum extending from northeastern Macedonia, where there is essentially no possessive perfect, to southwestern Macedonia, Some general issues 119 where there is a fully grammaticalized possessive perfect, while intermediate varieties of Macedonian exhibit intermediate forms of grammaticalization.

The synchronic and diachronic phonology of ejectives

Three cases are used to encode the core participants: the accusative, the nominative, and the oblique. London: Oxford University Press for the International Institute of African Languages and Cultures.

Edited by Rose Marie Beck, Lutz Diegner, Thomas Geider, Uta Reuster

And I was unable to determine the prosodic conditions on this type of debuccalization. Thus Dingane, according to Capt. Foreign Direct Investment for Development.

International Journal of Environmental and Science Education

This is also possible in Tsonga, cf.

A crosslinguistic lexicon of the labial flap

Diagnostic and Statistical Manual of Mental Disorders. One of the most spectacular flights, apart from Mawa's in 1843, was indeed that of Sogweba. When in the Sogweba case one of the many envoys was carried away into uttering threats and underhanded these by significant gestures, his coUeagues on being challenged by Shepstone, whether this was the king's message, denied this and excused him by saying that he sometimes had an unfortunate way of expressing himself.

WALS Online

Olson and Schrag give evidence for contrast with other labial sounds reproduced in Olson and Hajek 2003.
