Map: Coronavirus and School Closures in 2019

Every child needs to make progress with their work. Malaysian primary school consists of six years of education, referred to as Year 1 to Year 6 formerly Standard 1 to Standard 6. This is meant to keep holiday traffic as low as possible.

The child's experience of primary school « Understanding Childhood

We have fun and learn. As most of these breaks depend on the Hجري year which is 10 days shorter than the Solar year, there is a gradual change on the date of these events in relation to the school year. Key points: The policy also proposes phasing out of all institutions offering single streams and that all universities and colleges must aim to become multidisciplinary by 2040.

In the chart we see the distribution by world region.

Academic term

In half of all countries, data on primary and secondary education come from more than one source. If your child is reluctant to go to school, explore all the possibilities and discuss these with the school.

Policy Governance® FAQ

The first semester of the year is from September to late January or mid February. The summer holiday lasts three months: June, July, and August.

Primary School

However the department for education scrapped this grading system as they felt it was too vague. Primary schools may use 3 discretionary days to extend this to a 5-day break starting on Monday 15 February 2021, unless they need these days to make up for time lost due to unforeseen school closures.
