## Council

A: The manager makes policy recommendations to the council, but the council may or may not adopt them and may modify the recommendations. The form also is popular in Canada, Australia, the Netherlands, New Zealand, the United Kingdom, Honduras, Chile, and Brazil.

## The Council

Managers, assistants, and others apply directly to the council, which reviews the applications and interviews qualified candidates. Since its establishment, the council-manager form has become the most popular form of government in the United States in communities with populations of 5,000 or greater.

## Council

Does the Form of Government Matter? A Governing article from 2012 notes that cities are not set in their existing government structure; in fact,. Because professional local government management offers government of the people, by the people, and for the people, it sets the stage for citizen activism by encouraging open communication between citizens and their government.
