It was, however, only a short-lived setback. In the Introduction to this volume Baildon printed a conversion table showing, for each roll then known in the public records, its old Coram Rege number and new Curia Regis or Assize Roll number.

Archaeology and History of Medieval Sherwood Forest: Bibliography

They then exchange fierce blows with their swords.

Curia Regis and Assize Rolls: a handlist

There does, however, seem to have been some concept of a general forest eyre, during which the majority of forest counties would be visited.

Early English Laws: Forest law

Judges are elected to 10 year terms. Transactions of the Thoroton Society XCII.

Some publications of the Selden Society available online

The usual procedure was for the inhabitants of the four nearest townships to be summoned and examined on oath as to what had happened in a particular case.
