Manchester Gas Training Courses

Resale Store volunteers assist with preparing donations for sale, providing excellent customer service and helping with day to day operations of the Resale Store. Please ask our sales staff for more information. You will also complete an internal multiple choice exam and practical assessment — these do not count towards your 2393 qualification, but you will be awarded a BTC Certificate of Continuous Professional Development on successful completion.

The Manchester College

Center for Prevention of Child Maltreatment — are you a medical professional looking to earn FREE continuing education credit? These trainings allow medical professionals to acquire and maintain the knowledge, skills, and competent clinical forensic practice to improve the response to domestic and sexual violence in hospitals, health clinics, and health stations within the Indian health system. The program is designed for individuals concerned about the safety of children as well as organizations that serve youth. ONGOING VIRTUAL OPPORTUNITIES A dvocacy for Victims of Abuse — a self-paced tutorial on abuse for clergy, spiritual leaders and teachers.

The Manchester College

The Center for Prevention of Child Abuse Maltreatment — teaches medical professionals how to identify and report potential signs of child treatment. A Community Forum allows you to share ideas with other course-takers.

HOME

The online version allows individuals to take the training at any time or place, at a pace of their choosing. This Domestic Installers Course is aimed at those who regularly carry out electrical work in support of their main trade. EC4U Domestic Electrician Course contains the following electrical training courses: Key Stage Electrician Course — Duration 5 Days This course was designed specifically for people with little or no experience of electrical work who are looking to either pursue a career as an electrician self-employed or employed , combine it with an existing trade or to undertake your own property renovations.
