I just wish I hadn't been charged for a new book when it was used.

François Béalu

The company appears neither to have flourished immediately nor to have lasted long. The Commission has not been informed in that context of situations similar to the one presented by the Honourable Member.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. The list is not a comprehensive list of all characters and readings in regular use; rather, it is intended as a literacy baseline for those who have completed compulsory education, as well as a list of permitted characters and readings for use in official government documents.
