Renaissance Thought: The Classic, Scholastic, and Humanist Strains. The arrangement is not chronological, but alphabetical, under the names of the authors, and, in some cases, of literatures and special subjects. Like his other work, his drama is artificial, refined, and skillful.

A descriptive and historical account of hydraulic and other machines for raising water : ancient and modern.

Eusebius, bishop of Caesarea, an historian of great and deserved celebrity, and generally esteemed of unimpeachable veracity, a man of extraordinary erudition, and an intimate confidant of Constantine, is the author of this narrative ; and asserts that he had the relation of that ex-

traordinary circumstance from the Emperor's own mouth in private conversation : so far the history seems to bear such a stamp of authenticity as few historical relations can boast. Excellent summaries may be found in The New Cambridge Modern History, Vol.
