Workshop format We expect everyone attending the workshop to actively participate in the sharing and discussions.

Field Arts Workshop: Cartography 101 for Field Notebooks — Exploring Overland

Michael Conzen will be discussing the production and publication of county atlases, using a number of choice examples from the library's stacks.
August 25-26, 2021 — Sydney T he conference has been postponed until early 2022.

Call for Papers

We plan that the session will be relaxed and relatively informal as not all experiences may be easy to share in a standard, formal scientific presentation. The first talk by Hessler, will present an overview of the computational and statistical methods used to create the data and the theory behind segmentation analysis. The and take pleasure in inviting you to their joint international preconference workshop: Cartography as a Cultural Encounter: How East and West have Mapped and Influenced Each Other.

Call for Papers

Selection Guidelines ICHC 2021 organizers are committed to ensuring a fair and unbiased review process. Rohan French, UC Davis May 3.

President's Blog #5: Announcing New Dates for ICC2021 International Cartographic Association

Nevertheless, despite these challenges, people have been successful in undertaking research. August 30 - September 2, 2022 - Newcastle The three-day attracts over 2000 geographers from around the world. Martin Pleitz, Münster Mar 29.
