## Missions to the Niger: Volume I: The Journal of Friedrich

Volume 2 covers differences, integration, and differential equations. As an illustration of the choices that the author makes we can cite chapter 2.

## Missions to the Niger: Volume I: The Journal of Friedrich

The last chapter covers the power method for finding eigenvalues and also the methods of simultaneous and successive displacements Jacobi and Gauss-Seidel for solving matrix equations iteratively. Despite these limitations, the book will serve students and research workers as a valuable reference source.
