The Prudence of George H. W. Bush's Foreign Policy

Capitol or the White House. And we should work with the Indian government, ensuring it is a force for stability and security in Asia.

Hyde Was Right, Bush Was Wrong

Aftermath of the Invasion President George W. The failure of the Senate to ratify the Treaty aided and abetted by Wilson's stubborn and foolish refusal to negotiate over its terms contributed to the anti-internationalist backlash that emerged after he left office.

Does Bush understand his own foreign policy?

But there is more to say, because military power is not the final measure of might. Speech by Governor Bush on Foreign Policy, 19 November 1999 Governor George W.

Book Launch: George Bush's Foreign Aid: Transformation or Chaos?

The President appointed to the office. It was wrong, Hyde said, to liken efforts to implant democracy today in problematic regions of the globe with what happened in Europe and parts of East Asia after World War II.
