The number of calls received by the serviceResearch tells us that people bereaved by suicide Kids Helpline and Lifeline in trouble! There were many starts, stops, and pauses.

Future

The footnote to this statement offers even further support for their characterization as standards. Such environmental manipulation can be justified more readily if it is part of a larger social policy process that itself has been earned on through legitimate channels and exposed to public debate. Terry, Part I, supranote 12, at 16.
