Shuttle in the crypt

The boat swayed as if we were on high seas. Two minutes later, at 4:08:13 p.

Shuttle in the crypt

Gloom is often associated with bad weather and rain, and when the 41D crew finally saw the light of day and made their way out of the orbiter, they did so in a torrential downpour ... not of rain, but of the waters of the fire suppression system.

A Shuttle in the Crypt

It was a shutdown which might have saved their lives and which gave them the opportunity to try again, 17 days later. My Swedish colleague tried to make some conversation with the writer. That being said, it is Strongly Recommended that all passengers continue to wear masks or other face coverings for the duration of the cruise.
