A different world — Greater Fool

He discovered and developed one of the first successful polio vaccines. You is in the sewer. Shanties will suffice, affordable housing for all.

University of Toronto Libraries

Hourly workers and renters whacked by virus shutdowns are suffering disproportionately.

The current Governor demanded a faster timeline which Enbridge could not meet and Michigan Attorney General filed a lawsuit in June of 2019 to shut down the pipeline under the Mackinac Bridge.

The potential for constructed wetlands for wastewater treatment and reuse in developing countries: a review

April is my best guess. This is especially true of black swans, but somewhat true of all of the birds that I raise. Tax those elite, tax them! Resource industries have become a political liability and knowledge-based investment has never had much traction here because the alternative, housing, is tax-free.

St. Lawrence Seaway: Western Great Lakes Basin

After the transfer, the future development and management of the lake and surrounding land will be the responsibility of the Alberta Government.
