The theatre had been in a decline for some years, but the partnership of Garrick and Lacy led to success and accolades. The fart builds and then stops. Besser does have his defenders, however.

David Garrick

Horton was one of the best supporting actors of the day, especially for comedy.

From September 1742 to April 1745 he played at Drury Lane, after which he again went over to Dublin.

BBC

The zany comedy team of, whose revues were fast-paced collections of songs and blackouts, hired Joe Besser to join their company. Was Warners worried that ol Jimbo had to be watched lest he undermine this comedy? It was a major focal point in the emerging movement that helped cement Shakespeare as England's.
