Society in Ancient China

They have stiffer, more resilient bristles that

retain a sharp point while painting. Some artists use only ink as in the examples above.

Chinese and Western Thought — Knowing the Differences Helps

The Chinese Communist Party CCP is in effect the only political party.

SUMI

The soot was mixed with some glue, pressed into a solid stick and dried.

Art is a reflection on society and the times

Beer is a common beverage, and there are many local breweries. The fear of losing face is a concern that governs social interactions both large and insignificant; failure to perform a duty brings shame not just on the individual, but on the family and community as well.
