**Regards sur le Rêve**

Life in the mega-city, with its own problems of hygiene and illness, challenged ancient doctors as well as modern medical historians. This thesis will also concentrate on their original literary styles and a certain number of their unconventional and untraditional techniques. He was also, along with his friends Jackie Pigeaud and Innocenzo Mazzini, instrumental in founding the triennial series of conferences devoted to Latin medical texts, which has done much to stimulate interest in both medicine and Latin during the Later Roman Empire.
