## WYCLIFFE AND THE DUNES MYSTERY

Wycliffe and the Redhead 22. They are police procedurals in style. The book opens with the discovery of a body in the Gwithian towans and we get to see the fallout of that discovery as it awakens old wounds in a group of school-day friends who are, for the most part, no longer on speaking terms.

### Wycliffe and the dunes mystery (1993 edition)

Six school friends are using the chalet for the weekend and, against their better judgement, they offer him a meal before he moves on. Edited by link works Created by an anonymous user Imported from Now his body has been found buried in the dunes and it is clear that he was murdered.

### Wycliffe and the Dunes Mystery by W.J. Burley

Wycliffe and the Guilt Edged Alibi 4.

### Wycliffe and the Dunes Mystery : W.J. Burley : 9781409171843

The village is a hot bed of gossip but everyone keeps their thoughts to themselves as far as the police are concerned and Wycliffe and his team have to work extremely hard to draw any clues from the residents. I'll happily read these books again and I'd recommend them if you like good police procedural stories.

### Wycliffe and the Dunes Mystery by W.J. Burley

May 1977 and a lone stranger walking the coast path stumbles into a beach chalet amid the sand dunes in St Ives Bay asking for a glass of water. There is something very settling about these books, yet too dry to be beloved 'cosies' 3. Therefore, there isn't much mystery or tension developed.

### Wycliffe and the Dunes Mystery by W.J. Burley, Paperback

He rarely gets to participate hands on in an investigation but there is something about this case that he finds interesting, especially as it will require a

few nights away from home. The best-selling author of tearjerkers like *Angel Falls* 2000 serves up yet another mountain of mush, topped off with syrupy platitudes about life and love. Happy endings await almost everyone—except for readers of this nobly preachy snifflefest.

#### **WYCLIFFE AND THE DUNES MYSTERY**

Overall I enjoyed the all of books though.
