### The Canterbury Tales Themes

Also, the themes present the parts of the medieval society that people have regardless of their religious backgrounds.

### Geoffrey Chaucer (1342

Of mortal battles he had fought fifteen, And he'd fought for our faith at Tramisene Three times in lists, and each time slain his foe. His table, waiting in his hall alway, Stood ready covered through the livelong day. He meets an ugly hag who promises to tell him the answer — but only if he agrees to grant her a favour in exchange.

### The Canterbury Tales.

So hot he loved that, while night told her tale, He slept no more than does a nightingale. If even-song and morning-song are one, Let's here decide who first shall tell a tale.

### Canterbury Tails Pet Resort

Company and Friendship This theme is strong as it reflects the social lives of the medieval society.

### The Canterbury Tales

Some account of these editions is given in the Preface to the Minor Poems, in vol. The line seemed then too short; so he inserted sore before aferd, thus ruining the scansion.
