## The French Riviera

Slip through the discreet hole in the wall to espy works by Picasso and Matisse, a mural by Leger, and a pool presided over by a Calder mobile. A rendezvous where they may feel at home to partake of a little tid-bit amid pleasant, interesting atmosphere. Jazz a Juan, one of the most famous, and best jazz festivals in France.

## The History of Color: The 1930s

Step into the town's many shops, galleries, and churches, before visiting the ruins of the former castle. The sprawling house now holds a small museum dedicated to the history HyÃ`res as well as a gallery that shows various exhibits throughout the year. While the 1920s were full of silver, the 1930s were dominated by gold and bronze.

## The French Riviera in the 1920s book by Xavier Girard

But the town has plenty to offer for those of us who don't hold VIP tickets to the festival.

## The French Riviera in the 1920s book by Xavier Girard

Mary Anne Evans Set in the hills towards Nice, St Paul is a bijou village with a bitter-sweet past. At another, at the home of John Maynard Keynes and his wife Lydia, the guest of honor was the prolific romance novelist , who was idolized by the household servants.
