Nursing Home Residents' Bill of Rights

The following resources are some of the supports available to provide a deeper understanding of the rights.

Nursing Home Residents' Bill of Rights

Additionally, the Commission has recently initiated a complaint against the MOHLTC and its contractor, the West Park Healthcare Centre, for using age-based criteria in the provision of assistive devices. The cost related to assistive devices presents a significant barrier, particularly since those who may need them most may be the least likely to be able to afford them.
