Picturing the Century : Portfolio :

Dorothea Lange

However, the realism of a photograph as opposed to the idealism of a painting made many of these intrinsically erotic. Women were generally forbidden from painting nudes, but Fontana circumvented these rules by painting works like Mars and Venus, in which a god feels up the exposed rear of a goddess, by making it a mythological scene—for which female-painted nudity was more permissible—rather than a historical or biblical one. In the 19th century, however, going to a photo studio was the only way to get your photo taken, so knowing the studio that took the photo becomes an important clue in your genealogical search.

PICTURING CALIFORNIA Century of Photographic Genius BOOK rare photo photography

Goldman, it turned out, had been a friend of the women, a fan of private and artistic photo shoots and — it seems — a brothel client. In order to maintain the line, underlying assumptions of what is worthy of the canon must also therefore be maintained. But these misattributions show the degree to which the legitimacy of an artwork is bound to both a cult of personality and to a specific understanding of gendered greatness.

An Eye for Genius: The Collections of Gertrude and Leo Stein

His early portraiture was stripped down, direct, completely at odds with the Victorian neo-classical recreations.

Description: San Francisco: Chronicle Books. There are a variety of print and online publications, which now compete against the major magazines Playboy, Penthouse and cater for the diverse tastes. These articles contain information on the early history of photography, the daguerreotype and the diorama.

Digital Photography Collections

Artists were enamored with their new ability to take impromptu photos without carrying around a clunky apparatus. They have two young children.

Picturing California: A Century of Photographic Genius by

Several years after her death in 1934, the University of Oregon took custody of her photographs, proofs, and glass-plate negatives. When Gauguin abandons his family for Tahiti, he does so with confidence that his wife and children will understand that their lives are of minimal importance compared with the vast number of lives he and his art will touch.
