**John A. Ryan**

Until the 1960s, Catholic charitable institutions—benevolent societies, hospitals, orphanages, reformatorys, and the like—did exemplary work, serving the poor and bringing them into the mainstream of American life. Larry Snyder, March 4, 2014 Bishop Nicholas DiMarzio and Rev. Bishop Chairman Mourns Loss of Life in Mass Shooting in Boulder, Colorado Following a mass shooting on March 24, 2021 at a supermarket in Boulder, CO, Archbishop Paul S.

**Was Joe Biden preaching Catholic social teaching to the Congress last night? Supporters think so.**

But a program that brings food to the homeless and tries to connect them to government services and to Alcoholics and Narcotics Anonymous was less impressive.

**If this is Vatican reform, some are wondering what's really changed**

I would like Judith who posted in Sept. .

**Catholic Church Reform**

One of Ryan's most controversial ventures into American politics was his national radio endorsement of candidate when he ran for re-election as president in 1936. United States Conference of Catholic Bishops, Catholic Charities USA, and The Society of St. Most reputable economists point out, however, that such a hike would cost the nation hundreds of thousands of entry-level jobs, hurting just the people—immigrants, inner-city youths, or former welfare recipients rejoining the workforce—whom Catholic Charities says it cares most about.

**Criminal and Restorative Justice**

Ryan had been consulted by the framers of the Irish Constitution. These community organizing efforts use as their textbook one of the classics of

extreme left-wing literature—Saul Alinsky's 1947 *Reveille for Radicals*.

### **Criminal and Restorative Justice**

Driscoll takes no government money, to avoid having to tone down her moral message of responsibility and work. In his first speech to Congress, on April 28, President Joseph R.

### **If this is Vatican reform, some are wondering what's really changed**

An industrial system which would increase rather than lessen social ills is obviously contrary to the interests of morality and religion. In other words, the state should not displace the responsibilities of the family or the neighborhood but should try to strengthen these entities so that they can fulfill their appropriate duties.
