## Synoptic Problem and Q

It is especially clear from the Gospel of Luke that the author has a special concern for the economic poor of his world and much of the content of the beatitudes and the Gospel at large reflects this. One thing is certain; he used his sources, but he was no slave to them.

## Revealing the New Testament Narratives: Gospels, Acts, Apocalypse

Fullness of historically relevant data was an achieved goal. But, if so, this means that far more weight will have to be given by the historian in the future to the Third Gospel, and in particular to those portions of it which are peculiar to itself.

## The Story Of The Storytellers

Whether this gospel was the Gospel of the Hebrews, or the Nazaranes, or an early version of Matthew, and whether originally written in Greek or Hebrew, is not clear. Where the two are parallel it would seem that Proto-Luke is sometimes inferior in historical value e.

## Revealing the New Testament Narratives: Gospels, Acts, Apocalypse

Even if it should be necessary to concede that Luke wrote after a. Basing their reconstructions primarily on the Gospel of Thomas and the oldest layer of Q, they propose that Jesus functioned as a wisdom, rather than a Jewish, though not all members affirm the two-source hypothesis.

## Luke's Great Omission

God first empties a man of himself before he pours in the precious wine of his grace. He may, at different times, have used both routes. The only safe name by which one can call it is the CENTRAL SECTION a title that states a fact but begs no questions.

## THE FOUR GOSPELS

These first followers of Jesus differed from other Christians whose ritual and practice was centered on the death and the resurrection of Jesus.

### **Scrutinizing the Case for Q: Why Luke Sidestepped the Baptism of Jesus by John**

They do not believe it is possible that two or three authors could use the exact same words without using each others' writings as sources. As you have pointed out, the basic assumption is wrong. Udo Schnelle summarises the stratification proposed by Kloppenborg op.

### **Revealing the New Testament Narratives: Gospels, Acts, Apocalypse**

Conzelmann, The Theology of St. Questions about why and how the Gospels of Matthew, Mark, and Luke share so much common material. They will be so surprised when they find their millstones for having destroyed the faith of so many.
