## Travels in the White Man's Grave on Apple Books

He tells about his happy and sad experiences during this time in his book.

### ricklibrarian: Travel's in the White Man's Grave by Donald MacIntosh

I was expecting something more akin to the stories of Gerald Durrel, perhaps my problem is, like Durrel, I'm more interested in animals than the passion of Macintosh, which is trees. The introduction of chainsaws, monster trucks, and corporate dictates to deliver supplies quickly denuded forests and destroyed the economies of local tribes. It is often hot, humid, and rainy.

9780349114354

He also heard more than his share of ribald and amusing stories at the expense of both natives and crusty colonials. I listened to this book on CD and enjoyed the author's memories of living in Africa.

### Travels in the White Man's Grave: Memoirs from West and Central Africa

A wonderful, evocative, funny and colourful memoir of a lost world - the rainforests of pre-independence West Africa.
