Best Practices for Teaching Social Studies: What Award

Teacher Behaviors Appreciate and accommodate the similarities and differences among the students' cultures.

15 ways to make elementary social studies lessons more exciting

When you think about it that way, teaching ELLs to master new social studies content is so much more than adapting a lesson plan—it's a chance to prepare a new generation of young people to lead us into the future. Spend some time with a colleague, or two or three, and talk about what each of these research-based, best classroom practices looks like in the classroom. Make sure to build in space for reflection or debate in your discussion prompts.

15 ways to make elementary social studies lessons more exciting

Even young children can draw conclusions about the popular styles of dress and therefore climate and geography, hobbies and interests, and cultural values of ancient people just by looking at artwork. Close browser tabs not required for participating in class. Long lectures, on the other hand, do not work well in online teaching, either in synchronous sessions or asynchronous materials.

Teaching Social Studies

Allow others in the session to annotate on the same board to share ideas and problem-solving methods.

How social studies instruction can help kids make sense of the world

Here are a few simple tips to get you going. You must also consider quality because buyers do not purchase messy lunches.
