Heinrichs The Encyclopaedia of Islam Second Edition Online sets out the present state of our knowledge of the Islamic World. The Georgian and Armenian populations in the 1920s and 30s were just as small as those of the traditionally Islamic peoples. Ibn Fadlān, Voyage chez les Bulgares de la Volga, traduit, présenté et annoté par M.

Islam, islamische Kulturzentren und Moscheen in Lettland

It should be noted that migration in search of better social and economic conditions was a widespread characteristic of the Karaites. Miquel, La géographie humaine du monde musulman. ..., op. Cette affirmation est empruntée à la géographie antique, et plus particulièrement à des sources latines, comme cela a été mis en évidence depuis quelques années déjà par des chercheurs comme D.

Islam, islamische Kulturzentren und Moscheen in Lettland

And God, as befits the Truth, is well-disposed towards His servants. There were various reasons why people returned to their own country, and the new states tried to promote the repatriation of their citizens.
