### V.I. Lenin: From the archives

But objectively, the mass movement was breaking the hack of tsarism and paving the way for democracy; for this reason the classconscious workers led it.

### V.I. LENIN FISHING KOLKHOZ

Posters, songs, documentaries and busts abounded--all to replace the religious icons that the Russians had held so dear as well as to give the seeming stamp of approval for Stalin's regime after all, if Lenin was their new god, why couldn't Stalin be as well? The imperialist war of 1914—16 has provided facts which refute such conclusions. The views of the opponents of self-determination lead to the conclusion that the vitality of small nations oppressed by imperialism has already been sapped, that they cannot play any role against imperialism, that support of their purely national aspirations will lead to nothing, etc. Special attention should be given to organizing film showings in the villages and in the East, where they are novelties and where our propaganda, therefore, will be all the more effective.
