Unesco's Future Programme in the Field of Libraries, Libri

Everyone is free to add information, modify contents, translate texts into other languages, and disseminate an entire electronic publication.

Library

Link to this page: Unesco Bulletin for Libraries. This condition is not a reality in all regions of the world. To reflect current practice, UNESCO is used throughout this book and any quotes containing historic or French usage of Unesco have been changed for consistency.

Library

It is published in English, French, and Spanish.

Unesco Bulletin for Libraries

For UNESCO, adopting an Open Access Policy means to make thousands of its publications freely available to the public. The journal is a bimonthly.

Unesco's Future Programme in the Field of Libraries, Libri

In accepting the invitation made to me by the Editor of Libri to write about Unesco's Journal Libri - International Journal of Libraries and Information Services — de Gruyter Published: Jan 1, 1960 APA VERONESE, Unesco's Future Programme in the Field of Libraries Unesco's Future Programme in the Field of Libraries VERONESE , , VITTORINO 1960-01-01 00:00:00 by VITTORINO VERONESE Unesco's work in the field of library development, bibliography, documentation and the exchange of publications is based on the Constitution of the Organization which affirms Unesco's faith in the unrestricted pursuit of objective truth and in the free exchange of ideas and knowledge.

Unesco bulletin for libraries: = Bulletin de l'Unesco à l'intention des bibliothèques
