### Indigenous peoples of California

California Indian baskets are considered by many to be among the world's most beautiful, sophisticated, and cherished art objects. After guns and horses were introduced to the indigenous peoples of California in the beginning of the 19th century, the tensions between the neighboring tribes started to increase. A form of was used to clear areas of old growth to encourage new in a repeated cycle; a.

### CALIFORNIA tribes: Main Access Map and tribes listing

Military authorities could not prevent widespread desertion of soldiers and chaos reigned. In 1851 several mountain Miwok tribes offered armed resistance to the hoard of miners overrunning their territory. The amazing adaptive capabilities of California Indians has demonstrated the resiliency and genius of these much misunderstood and hardworking tribes can achieve under the most unfavorable of circumstances.

### Revealing the history of genocide against California's Native Americans

Anthropologists in the 20th century could only identify 67 tribes, 45 village names and 14 alternative spellings of tribal names. According to archeologists who have studied the layers of shells mounds left by the Indians, very little changed in the Indians food supply, way of living, their

tools or migratory habits for at least 3,000 years before the white men came. The law also gave white people the right to arrest Native people for minor offenses like loitering or possessing alcohol and made it possible for whites to put Native Americans convicted of crimes to work to pay off the fines they incurred.

### **Revealing the history of genocide against California's Native Americans**

This outrageous offer offended many Indians who had pinned their hopes on a settlement that would provide seed money for desperately needed economic development. John Nugens to Lieut T. Berkeley: University of California Press.

### **California's Little**

Little immediate change in personal or Indian policy occurred. Mounted on horses and using modern weapons, they began raiding mission livestock and fighting colonial military forces.
