TBRC

A proposed service project involving data reduction for the MacArthur Foundation and Thomas Weinstein UIC College of Education was still pending at the close of the year. Paul Levy UIC Epidemiology and Biostatistics , Gerald Strom UIC Political Science , Barry Chiswick UIC Economics , and Roland Liebert UIUC Sociology held zero-time appointments with the Laboratory. In addition, over 2,000 stopped and visited the DO-IT and adaptive technology booths at the Computer Fair over the years.

Format and Content for the CMC Section of an Annual Report

Tufted Flycatcher *Mitrephanes phaeocercus* 2. Data collection took place throughout the year. He retired prior to initiation of disciplinary action.

SEC.gov

Sims RCS , Richard M. This species was recently removed from the Review List as it is now regarded as a regular, yet uncommon and local, winter resident in east and coastal Texas. Black-legged Kittiwake *Rissa tridactyla* 42.

Annual Report 1994

The Waste Management Survey of Illinois Higher Education Institutions is funded by the Illinois Department of Energy and Natural Resources. This page has no affiliation with the serial or its publisher. SRL assisted Charles Kozoll UIUC Continuing Education and Public Service on a proposed Continuing Education for Senior Citizens study to assess the motivation of senior citizens to participate in formal continuing education.

Annual Reports

In addition, a publication developed for this workshop, which provides an overview of adaptive technologies, was distributed to over 17,000 individuals and organizations at conferences and through mailings. Pursuant to the policy, the Deputy Attorney General issued two public disclosure reports in fiscal year 1994.

Format and Content for the CMC Section of an Annual Report

Kathleen Crittenden UIC Sociology is a coprincipal investigator, as was Loretta Lacey PRC until her death.
