## Chapter 3. Assessing Community Needs and Resources

By the time an app has been put through rigorous scientific testing, the original technology may be outdated. You can use

Filesize: 47.910 MB

SWOT to justify a course that has already been decided upon, but if your goal is to grow or improve, you will want to keep this in mind.

## DEVELOPMENT OF MEDICAL TECHNOLOGY OPPORTUNITIES FOR ASSESSMENT

Research shows that the use of medical care rises with income: as people and the nation become wealthier, they provide a fertile market for new medical innovations. Join today's nursing workforce The future is already here, especially when it comes to health care. Economists have used indirect approaches to try to estimate the impact of new technology on the cost of health care.

### Educating the nurses of 2025: Technology trends of the next decade

Nancy Colobong Smith, MN, ARNP, CNN, National Director of the American Nephrology Nurses Association, was the lead nurse on the first FDA human trial of the wearable artificial kidney WAK , a device that helps to make dialysis and easier, more frequent, and more portable for patients.

## Chapter 3. Assessing Community Needs and Resources

The goal of technology assessment is to provide policy-makers with information on policy alternatives. Technology Assessment is a concept, which embraces different forms of policy analysis on the relation between science and technology on the one hand, and policy, society and the individual on the other hand.
