## **Wild men in and out of science: finding a place in the disciplinary borderlands of Arctic Canada and Greenland**

One striking continuity between the days of Harappa and of the Mauryan empire is the importance of trade and migration among sites in South Asia, Central Asia, and the Indian Ocean basin. Nevertheless, we have enough information to conclude that in agricultural societies such as the Iroquois or the Navajo, women were accorded more status than they received in the primarily hunting societies of the Great Plains. Seattle: University of Washington Press, 1988.

## **Wild men in and out of science: finding a place in the disciplinary borderlands of Arctic Canada and Greenland**

The project hopes to compare the results of substance abuse prevention and intervention programs that are culturally specific. Johannes Gesmers Pariser Tagebuch 1727, ed.

## **Native American women: a biographical dictionary**

She has traveled and read widely in North and South America, Russia, Switzerland, and Germany. Trascrizione a cura di Vittoria Rosapane. Western plains The semi-arid western plains about the high mountains in the west and they merge so gradually with the northern river basins in the IndoGangetic watershed Haryana and with the central mountains in Malwa and Gujarat that we can see them as a set of expansive, connective zones for the long-term historical movement of people in every direction.

## **Native American women: a biographical dictionary**

Carolyn Foreman, in Indian Women Chiefs 1954, relies on many earlier sources of dubious authenticity in an attempt to provide documentation of the lives of Indian women who had power within their tribes. The class divisions separating university physicians the German medici pun from other healers were nowhere clearer than in Great Britain.
