## ANPD : Blogs : Shared Governance: What it Is and Is Not

Marriage is a uniquely comprehensive union.

### Leaky gut: What is it, and what does it mean for you?

This is clearly participatory management. It is based on the anthropological truth that men and women are different and complementary, the biological fact that reproduction depends on a man and a woman, and the social reality that children need both a mother and a father. It rejects the truth that marriage is based on the complementarity of man and woman, the biological fact that reproduction depends on a man and a woman, and the social reality that children need a mother and a father.

### Marriage: What It Is, Why It Matters, and the Consequences of Redefining It

Of course, that could be something of a compliment but in general, we might want to be missed for more reasons than that. Marriage increases the odds that a man will be committed to both the children that he helps create and to the woman with whom he does so. It scorns evidence of weakness.

### Leaky gut: What is it, and what does it mean for you?

The state has an interest in marriage and marital norms because they serve the public good by protecting child well-being, civil society, and limited government.

### The Hidden Meaning of "It Is What It Is"

I placed myself back on a course of quality High dose multi strained probiotics, chlorophyll capsules, and organic ACV shots, plus gluten-free, low sugar diet, methly-B vitamins, all of which I used years ago for years as part of an improved lifestyle and chronic illness management plan with resulting much success for CFS and gastro-issues. But not like a break break, just a break.
