§§ , Opening and Closing Motor Vehicle Doors Effective July 1, 2016, no motor vehicle operator shall open the door of a parked motor vehicle on the side adjacent to moving vehicular traffic unless it is reasonably safe to do so. In this condition, the rods and cones in the retina of the eye deteriorate.

Road rules for bicycle riders

Bicycle riders have the same rights and responsibilities on the road as other road users. Give learner drivers room and keep your distance especially at junctions where they may use the brakes excessively.

Scottish Cycling

Isn't this distracting to other road users? Number one governing body of sport in Scotland Following our recognition as Governing Body of the Year in 2018, Scottish Cycling is committed to continually improving all aspects of the organisation. Drivers should always be aware of bicycle riders on and around the road, especially at intersections and roundabouts, and safely share the road. Be extra cautious when moving out of a junction.

Bicycle Safety

Refer to the examples shown here: Reference: §§ , , , Passing Bicyclists may overtake and pass another vehicle only when safe to do so.
